

Schedule of Events

Thursday Kids Club
After-school 3:30

- WeDo 2.0: A Lego program designed to teach engineering, simple robotic, student collaboration, coding and help students gain confidence in public presentation.
- Makey Makey: “We believe that **everyone is creative, inventive, and imaginative**. We believe that everyone can create the future and change the world. So we have dedicated our lives to making easy-to-use invention kits. We believe that the whole world is a construction kit, if we choose to see it that way.” –Jay Silver and Eric Rosenbaum
- Lego Club: We will have challenges and free building.
- Science: We will be learning interesting science and doing experiments.
